REPUBLICANS' RECKLESS SPENDING PLAN WOULD COST OREGON JOBS AND MAKE OREGON COMMUNITIES LESS SAFE

There is no disagreement that we need to cut spending. We believe that we need to do it in a responsible way so that we live within our means and can invest in the future, out-building, out-educating, and out-innovating our competitors in the world economy. But as the economy continues to recover from the deepest recession in a generation, we cannot afford to make dramatic and indiscriminate cuts that would undermine Oregon jobs and public safety. The reckless Republican spending plan would do just that - an estimated 8,600 Oregon jobs would be lost if H.R. 1 is enacted into law, and thousands of Oregon families would be less safe.

REPUBLICAN SPENDING PLAN WOULD DESTROY OREGON JOBS

- Independent, non-partisan analysis has found that H.R. 1 will cut 700,000 jobs through 2012, with Oregon set to lose more than 8,600 jobs.
- More than 4,000 community health center jobs will be eliminated in Oregon if the House-passed bill is enacted.

REPUBLICAN SPENDING PLAN WOULD HURT EDUCATION IN OREGON, MAKE OREGON'S WORKFORCE LESS COMPETITIVE

- Under H.R.1, the average Oregon undergraduate with Pell college tuition assistance will see their assistance cut by more than \$650.
- More than 2,500 Oregon children will lose access to Head Start, an early education program that is proven to help students complete high school.
- Oregon could lose upwards of \$46 million in job training investments under H.R.1.

REPUBLICAN SPENDING PLAN WILL MAKE OREGON LESS SAFE

- H.R. 1 reduces Byrne Justice Grants for Oregon by \$1.6 million.
- H.R. 1 reduces Oregon's homeland security investments by more than \$900,000, hurting local law enforcement's ability to keep Oregon families safe.
- Portland's Tri-County Metropolitan Transportation District will lose over \$800,000 in Transit Security Grants under H.R. 1.
